Vaginal Speculum and Method of Using Same 2002

Clinical Midwifery Practice

PROFESSIONAL POSITIONS

Clinical Midwifery Practice

Carle Clinic Urbana, Illinois 2001-2010

Practiced full-scope midwifery which included traveling to the Amish community in Arthur, Illinois to provide prenatal care. Worked as an adjunct faculty member for the University of Illinois Medical School where I precepted family practice residents for the obstetrics rotation. I also was the instructor for a simulation lab for medical students.

St. Johns Medical Center St. Louis, Missouri 2009 – 2011

Worked in an obstetric triage unit staffed completely by certified nurse-midwives.

Advanced Women's Healthcare Palm Springs, California 2011 - 2012

Practiced full-scope midwifery services including first-assist privileges for cesarean sections.

Molokai General Hospital Molokai, Hawaii 2012 – 2019

Practiced full-scope midwifery services for the residents of this rural island. Deliveries were attended in the one-bed labor and delivery unit of the fifteen-bed hospital. The collaborating physician receiving patients in need of surgery worked on the island of Oahu. Patients were transferred via a fixed-wing plane.
