About the Carnegie Endowment for International Peace

The [Carnegie Endowment for International Peace](#) is a private, nonprofit organization dedicated to advancing cooperation between nations and promoting active international engagement by the United States. Founded in 1910, its work is nonpartisan and dedicated to achieving practical results.

Carnegie is pioneering the first global think tank, with offices now in [Washington](#), [Moscow](#), [Beijing](#), [Beirut](#), and [Brussels](#). These five locations include the centers of world governance and the places whose political evolution and international policies will most determine the near-term possibilities for international peace and economic advance.
