MILITARY CAMPUS PROGRAMS

MISSION

Military Campus Programs seeks to provide an effective and challenging education for all military service members, their families, and U.S. government civilian personnel. We recognize their unique needs for flexibility in traditional educational programs and realize that learning may be accomplished via non-traditional methods. We strive to maximize the potential for distance education as an alternative mode to meet the needs of all our students in an ever-changing global environment.

PROGRAM AVAILABILITY

Hawaii Pacific University offers programs online and on several military installations on Oahu: Hickam Air Force Base, Marine Corps Base Hawaii–Camp Smith, Marine Corps Base Hawaii–Kaneohe Bay, Pearl Harbor Naval Station, Schofield Barracks, Tripler Army Medical Center, and Coast Guard Station–Sand Island. Military Campus Programs conducts accelerated ten-, five-, and 2-1/2-week terms throughout its academic year. A schedule of courses is available online at <http://www.hpu.edu/military> and in the quarterly “Military Campus Bulletin of Courses,” available at all HPU military campus offices. Due to the accelerated nature of the terms, classes convene during most University holidays and on Hawaii state holidays. There are no classes on Federal holidays.

APPLICATION AND ADMISSION

Military and certain civilian high school graduates, those with the GED equivalent, and those appropriately credentialed for access to military bases are eligible for admission to military programs. Veteran’s benefits or tuition assistance may be applicable for some applicants. The degree programs are non-sequential to facilitate entry at any point.

Military Campus Programs office staff assist servicemembers and their family members, Department of Defense employees, and

appropriately credentialed civilians with unrestricted access to base programs with the application and admission process. An application for admission is available online at <http://www.hpu.edu/military>. (Note: Undergraduate active duty Army students using tuition assistance must apply through the GoArmyEd Portal <http://www.goarmyed.com>.)

Applicants may apply as degree-seeking or “special status.” Degree-seeking students are those who intend to pursue an academic degree program. Special status students are those who are undecided about a degree program, taking courses for personal enrichment, or transferring courses to another university.

Degree-seeking students with no prior college transfer credits must submit official high school transcripts or GED and pay a non-refundable application fee. A prospective student with at least 24 semester hours of transferrable credits (prior university/college, CLEP/Dantes or other credit by examination, or military credit) must provide official college transcripts documenting prior credit and pay the non-refundable application fee.

Special status students must complete a Special Status Application form and submit a non-refundable application fee. If a special status student decides to pursue a degree, the Special Status Application fee will apply to the degree-seeking application fee. (Applicants to HPU’s graduate programs should refer to the graduate admissions section.)

REGISTRATION FOR COURSES

Students may register in person for classes at any Military Campus Programs office on Oahu, through the Downtown or Hawaii Loa Advising Centers or the Center for Graduate and Adult Services (Downtown Campus), or through online registration (WEBREG). Active duty Army students must register for their courses through the Army’s GoArmyEd web portal. Off-island students may register online through either the University’s Campus Pipeline WEBREG portal or the GoArmyEd (active duty Army

only) web portal. Off-island students may also request a downloadable version of the registration form by contacting the MCP office via email at: MCPOnline@hpu.edu.

For additional information regarding admissions or course registration, students may contact an MCP representative at any of the following MCP offices: Hickam Air Force Base (808) 543-8055; MCBH–Camp Smith (808) 487-1182; MCBH–Kaneohe Bay (808) 544-9314; Tripler Army Education Center (808) 687-7036; Schofield Barracks (808) 687-7095; Pearl Harbor Naval Station (808) 687-7082. Off-island students should contact the MCP off-island advisors via email at: MCPOnline@hpu.edu or via telephone at (808) 687-7072. Active duty Army students located outside of Hawaii can contact the GoArmyEd advisor via email at: GoArmyEd@hpu.edu. (Note: Students pursuing a degree program unavailable through the Military Campus [e.g. Nursing, Marine Biology, etc.] are strongly encouraged to obtain guidance from their degree program advisor before registering for courses).

VETERAN’S BENEFITS

U.S. military veterans, active duty service members with two years of service, members of the Selected Reserve, and some family members of disabled Veterans can apply to receive Veterans education benefits through the Montgomery GI Bill (MGIB).

Students planning to enroll under any MGIB program must first submit the VA Form 22-1990 (Application for Veterans Educational Benefits). Students may pick up a form at any of the Military Campus Programs offices on the bases or the Registrar’s Office at the Downtown Campus, 1164 Bishop Street, Suite 215. Electronic forms are available at www.gibill.va.gov. Eligible students may also apply for benefits online at <http://vabenefits.vba.va.gov>.

The VONAPP (Veterans Online Application) web site is an official U.S. Department of Veterans (VA) web site which enables veterans to apply for benefits using the Internet. U.S. military veterans and some service members within six months of separation or

retirement can apply for compensation, pension, and vocational rehabilitation at <http://vabenefits.vba.va.gov/vonapp/main.asp>.

Approved students will receive a *Certificate of Eligibility (COE)* from the VA once the student’s application has been processed and the student is now ready to register for courses.

Students may register for courses at any Hawai‘i Pacific University registration center. Students must notify their advisor at the time of registration that they intend use the MGIB. This will smooth the course certification process for the student, the school, and the VA. Late certifications will result in delay of benefit payments so it is incumbent upon the student to ensure the advisor or education assistant is aware of the MGIB eligibility.

Almost all students receiving MGIB must verify their enrollment each month to receive payment for that month. Student enrollment can be verified on the last calendar day of the month by using the VA’s Web Automated Verification of Enrollment (WAVE) at <https://www.gibill.va.gov/wave> or by calling the toll free Interactive Voice Response (IVR) telephone line 1-877-823-2378.

Recipients of Veterans benefits must meet satisfactory progress standards in order to continue receiving benefits. These benefits vary with course load and the degree program of study. Questions or comments concerning the amount of benefits paid should be directed to the VA at 1-866-GIBILL1.

Federal law prohibits the certification of courses that do not meet specific degree program requirements. Degree-seeking students with Hawai‘i Pacific University are eligible to receive MGIB benefits. However, degree-seeking students from other appropriately accredited and approved institutions may take courses with Hawai‘i Pacific University for transfer to their home institution provided the home institution provides the University documentation verifying the course will meet the student’s degree requirements. Once course applicability is

confirmed, HPU’s Veterans Coordinator will certify the course for benefits.

ONLINE COURSES

Military Campus Programs offers eligible students the opportunity to pursue their educational programs with HPU regardless of location. The Military Campus Programs online program provides military-affiliated students the opportunity to complete courses with HPU toward its associate or select bachelors and masters degrees. Online courses apply toward meeting residency requirements. For additional information on our online and distance education programs, contact us by email at: MCPOne@hpu.edu.

FEDERAL FINANCIAL AID

Students enrolled in Military Campus Programs 5-week and 10-week accelerated terms may be eligible for Federal Financial Aid. Students may obtain Financial Aid packets at any Military Campus Program office or apply online at <http://www.fafsa.ed.gov>. Processing of Federal Financial Aid may take between 4-8 weeks.

Federal Financial Aid covers yearly periods between July and June of the following year. Students must apply for Federal Financial Aid every year. Applications are available in January of each year. Prospective Military Campus Program students must be formally accepted, degree-seeking students in order to be eligible for an award. Recipients of Federal Financial Aid must submit an additional Military Campus Program Supplemental Financial Aid Form.

Students who wish to apply for Federal Financial Aid programs should apply through <http://www.fafsa.ed.gov> well in advance of the start of the term to ensure eligibility before registering for classes.

PRE-REQUISITES

At the end of each course description in the university catalog, on the university web site, and in the quarterly “Military Campus Schedule of Courses Bulletin,” prerequisites are listed. Students demonstrating intellectual and academic maturity may be

authorized to take courses out of sequence. Depending on the academic background of each individual student and when recommended by the student’s advisor, some of the prerequisite courses required may be waived via General Petition.

MILITARY CAMPUS PROGRAM DEGREE PROGRAMS

Servicemembers Opportunity Colleges (SOC)

Hawai‘i Pacific University is a member of the Servicemembers Opportunity Colleges (SOC) network, which meets the educational needs of servicemembers and their families. SOC institutions recognize and evaluate specialized learning acquired through military service, insofar as such learning applies to a program of study. Upon completion of the University’s residency requirements, a relocated student may continue to study at another accredited institution. Credits earned at the other institution may serve as transfer credits to fulfill Hawai‘i Pacific University degree requirements.

SOC Eligibility Requirements

Active and retired military, members of the Reserves and National Guard, Veterans, Department of Defense employees, and immediate family members are eligible for participation. SOC guarantees are restricted to specific degree programs. For all other degree programs consult with an advisor, dean, or program chairperson.

Students may change their degree programs or majors and receive another SOC contract provided they have not completed a program of study with HPU at the same academic level (associate or baccalaureate).

SOC contracts are binding for the degree program of study upon issuance. The contract guarantees that program requirements will not change. Students may, however, opt into a more current version of the program of study at their request. There is no time limit for completion of valid SOC contracts.

Students must complete all University academic and residency requirements to be eligible for graduation under the SOC program. There is no time limit for completion of SOC degree programs.

HPU/SOC Residency Requirements

SOC students must complete 30 semester hours with HPU including 12 semester hours of major course work. They are not required to complete the last 30 hours in residence. A student unable to complete residency requirements prior to departure from Hawai‘i is able to take appropriate HPU online courses to meet these requirements, if available.
