The HPU Bookstore offers a variety of services and sells new and used textbooks for students taking courses at the University; HPU logo wear (t-shirts, caps, sweat shirts, shorts, etc.); educationally discounted software and Apple products; a variety of gifts and school supplies, and is the best source for books written by HPU faculty.

For the ease of students, the Bookstore is online and online shopping can be done fast and securely. Use the link located at the bottom of the page to access the online HPU Bookstore.

Individuals outside of the University can also shop online. HPU logo items make great gifts.

NOTE: Currently enrolled students, HPU faculty and staff can access the online bookstore through HPU Pipeline, the University's intranet system. A link to the Bookstore will be found on the "My Pipeline", "School Services", and "Campus Life" tabs' pages. Look for the link in the left banner of the page under School Resources.
