

ABOUT CLEP

SHORTEN YOUR PATH TO A COLLEGE DEGREE— WITH CLEP!

The College-Level Examination Programs® or CLEP provides students of any age with the opportunity to demonstrate college-level achievement through a program of exams in undergraduate college courses. There are 2,900 colleges that grant credit and/or advanced standing for CLEP exams.

WHY TAKE CLEP EXAMS?

By taking one or more CLEP exams in your strong subjects you'll

- **Save time.** Get college credit for what you already know. Be rewarded for what you've learned through independent study, advanced high school courses, noncredit adult courses, or professional development.
- **Save money.** Compare the cost of a CLEP exam, just \$72, to hundreds-even thousands—of dollars in tuition. CLEP exams are free to military service members.
- **Make college more interesting.** Move right into advanced courses.
- **Graduate on time.** CLEP can help you to the finish line if you're a few credits shy of graduating.
- **Satisfy a proficiency requirement.** Demonstrate you've already mastered the content of, for example, a basic math or language course. Great for dual-degree candidates or students just a few credits shy of graduation.

Military Campus Programs seek to provide an effective and challenging education for all military service members, their families, Veterans and U.S. Government civilian personnel. We recognize their need for **flexibility** without sacrificing academic integrity in educational programs. We strive to maximize the potential for **distance education** as an alternative delivery mode to educate our students in an ever-changing global environment.
