

## Meeting Notes 5/4/2012

**Three Goals the Global Issues Working Group (GIWG) agreed to pursue for Fall 2012:**

- Faculty guest lecture list-Put together a list of faculty who would like to do guest lecturing in the classroom and around the community and the topics they could cover. VP for Community Engagement Claire Cooper will be sending out a comprehensive inquiry form for this later on but we can start with a simply list of faculty and their expertise.
- Do an HPU faculty lecture series on Critical Global Issues-Bi-weekly?
- Build Global Issues Website

## **5 Years from Now**

- Centers of Excellence
- Hubbub of activity
- New activities--engage students
- Student focus group
- Center coordinates intl stuff
  - integration & coordination of intl stuff and interaction w/ HPU Intl. Center
  - reputation should be enhanced
  - faculty recruiting should improve
- HPU projecting its expertise into the Asia/Pacific region

## **Ideas for Action**

- Webpage
- Online journal for students

- **Structural improvements needed**
- **Bi-weekly speaker series**
- **Student papers can be presented-1 to 2 page position papers from students**
