## Description

This table identifies the number and percentage of sections taught by full-time faculty and adjunct faculty. Full-time faculty sections are broken up into three categories: obligated, overload\*, and directed studies sections. Sections taught by external or visiting full-time faculty are included as additional information outside of the aggregate.

*\*In the case of an overload directed studies section, the section is counted as a directed study and not an overload.*

## Population

Data includes all active sections with an enrollment of at least one student. Career Services Center and Non-HPU Campus sections are not included in the population. Data are arranged by college, level, and course alpha.

Full-time faculty taught 52.5% of all sections as part of their obligated courses while teaching an additional 8.0% of sections as overloads. Full time faculty also taught 67 directed studies sections (4.8%). Adjunct faculty taught the remaining 33.7% of sections.

Business Administration had the highest percentage of obligated courses of 63.5% while Natural and Computational Sci. had the lowest percentage at 47.5%.

Term: Fall

## Description

This table presents the number of course sections, student enrollment, and average enrollment per section for the departments in each college. Course information is grouped into lower division, upper division, undergraduate, graduate, and total categories. Subtotals by department and college are provided along with University totals.

## Population

Data includes all active sections with an enrollment of at least one student. Career Services Center and Non-HPU Campus sections are not included in the population. Data are arranged by college, level, and course alpha.

Overall, the average enrollment was 15.8 students per section. Lower division sections averaged 19.7 students and upper division sections averaged 13.8 students. Graduate sections averaged 11.1 students.

Average undergraduate enrollment was highest in the Natural and Computational Sci. with 19.2 and lowest in Nursing and Health Sciences with 13. Average graduate enrollment was highest in Natural and Computational Sci. with 5.3 and lowest in Nursing and Health Sciences with 9.
