Notice of furniture clear out

We are making room for our newest tenant, Old Spaghetti Factory here at Aloha Tower. In order to do that, we need to clear out our used office furniture storage area.

If you have any need for used cabinets, desks, or tables, please arrange to come down to the Aloha Tower Marketplace this week to pick out what you can use. Pictures of some of the furniture on second page.

Contact Steven Hanneman, Facilities Sr Manager, at 544-0846 to arrange a time to view what we have. We will arrange movement of the furniture, you just need to pick it out.

We are on a short deadline to have the unit cleared out so we need to have the furniture claimed before close of business, November 8.

Mahalo!
