

# Change of Term Form

A change of term may only be granted for up to one year from the original term of application or admission. A request for a change of term does not guarantee admission or any previously awarded scholarship or aid.

**Please note:** If you are selecting an earlier start term - you will need to drop all courses for which you are registered in the original term. This means you may lose a spot in that term while your application is being revised. HPU will not be able to process your request until all courses are dropped.
