President

Lance Wilhelm is the President and founder of The Wilhelm Group LLC, a multi-disciplinary development consultancy and construction management company. Lance launched his firm in early 2017 to meet the needs of a growing and diverse building industry. With clients in the public and private sectors, The Wilhelm Group (TWG) works to bring meaningful and impactful improvements to Hawaii's built environment through program, project and construction management engagements. Leveraging Lance's unique background in contracting and development, TWG also works to bring various entities involved in the construction and real estate industries together through partnering facilitation and disputes resolution services.

Prior to launching his own firm, Wilhelm was the managing principal for Irongate, the owner and developer of the Trump International Hotel Waikiki Beach Walk and the brand new Ritz-Carlton Residences, Waikiki Beach. Before joining Irongate, he held the position of senior vice president for Hawaii operations at Kiewit Infrastructure West Co., where he ran Kiewit's local contracting business. In addition to his executive oversight of Kiewit's construction operations and new business pursuits, he was directly responsible for Kiewit's contracts totaling \$1.1 billion for the first three contracts for Honolulu's rail transit system.

Lance serves on various industry and trade organizations and is active in the construction and real estate development industries, having served as President of the General Contractors Association of Hawaii, West Oahu Economic Development Association, and the Hawaii Developers' Council. He is a board member for several non-profit and industry organizations including the YMCA of Honolulu, Island Pacific Academy, Hawaii Pacific University, Waikiki Improvement Association, Move Oahu Forward and previously served on the boards for the University of Hawai'i Foundation, Aloha Council-Boy Scouts of America and the American Heart Association. Lance is also actively engaged in labor relations, serving as trustee on a number of union trust funds. In 2012, Lance was appointed as trustee for the Kamehameha School and in 2016 was re-appointed to serve a second term. He is currently vice chair.

Lance graduated from the Kamehameha Schools in 1983 and attended the University of Hawai'i at Mānoa where he received a bachelor of arts in communications.
