<sup>i</sup> All students must pay a fee if it is assessed. The Transportation Fee may also be waived under certain, strictly limited circumstances. See the Transportation Fee website for more information.

<sup>ii</sup> Mandatory fees are charged a flat rate per semester; a semester is a full 16-week term, except for Winter.

<sup>iii</sup> Undergraduate part-time students are enrolled in 11 or fewer credits; full-time undergraduate students are enrolled in 12 or more credits. Graduate part-time students are enrolled in 8 or fewer credits; full-time graduate students are enrolled in 9 or more credits.

<sup>iv</sup> About in-person, online, and hybrid programs: Online programs are designated at the program level to be completed 100% online with the student never needing to step foot on campus. Hybrid programs are designated at the program level to be completed with a mix of on-campus and off-campus, online courses. In person programs are designated at the program level to be completed with the student taking the majority of their courses in-person, on campus. Even if a program has some courses designated as online classes, the program is still considered in-person and the associated fees will apply.

<sup>v</sup> Undergraduate part-time students are enrolled in 11 or fewer credits; full-time undergraduate students are enrolled in 12 or more credits. Graduate part-time students are enrolled in 8 or fewer credits; full-time graduate students are enrolled in 9 or more credits.
