Hawai‘i Pacific University students may earn academic credit for work experiences that are directly related to their major field of study through the Career Development Center’s Internship & Co-op Program. It is our policy that retroactive credit for hours worked prior to receipt and approval of completed internship forms will not be honored. Any hours worked prior to formally registering for your internship through the Career Development Center will NOT be considered.

In order to receive academic credit for co-ops or internships, the eligible student must:

- Complete 75 hours per academic credit for all internships. (Exceptions – HTM students must still complete 200 hours per credit.)
- Receive a satisfactory evaluation from the employer/supervisor.
- Complete a self-evaluation and term paper(s) that meets guidelines specified by the program.

In consideration of the mutual benefits of the Internship & Co-op Program, HPU’s Career Development Center (CDC), the employer, and the student agree as follows:

A. The **EMPLOYER** agrees to:
   1. Designate an individual to supervise the student and to serve as liaison to CDC.

   5. Evaluate the student at the end of the work experience on an online evaluation form provided by CDC.
   6. Sign and abide by the terms & conditions of our Employer Waiver & Release

B. HPU’s **CAREER DEVELOPMENT CENTER** agrees to:
   1. Provide a Career Advisor to meet with the student to explain the scope of the internship & co-op program and monitor the student’s work experience progress.
   2. Make contact with the employer as needed.
   3. Verify the completion of all required components and award academic credit on a Pass/Fail basis.
