*Thank you for your interest in applying for a graduate assistantship. Since this is a competitive process, please tell us what skills and experiences will make you a good candidate. This information will also be helpful to determine what your responsibilities will be. Please not, however, that you do not need any prior research or teaching experience to qualify for an assistantship.*

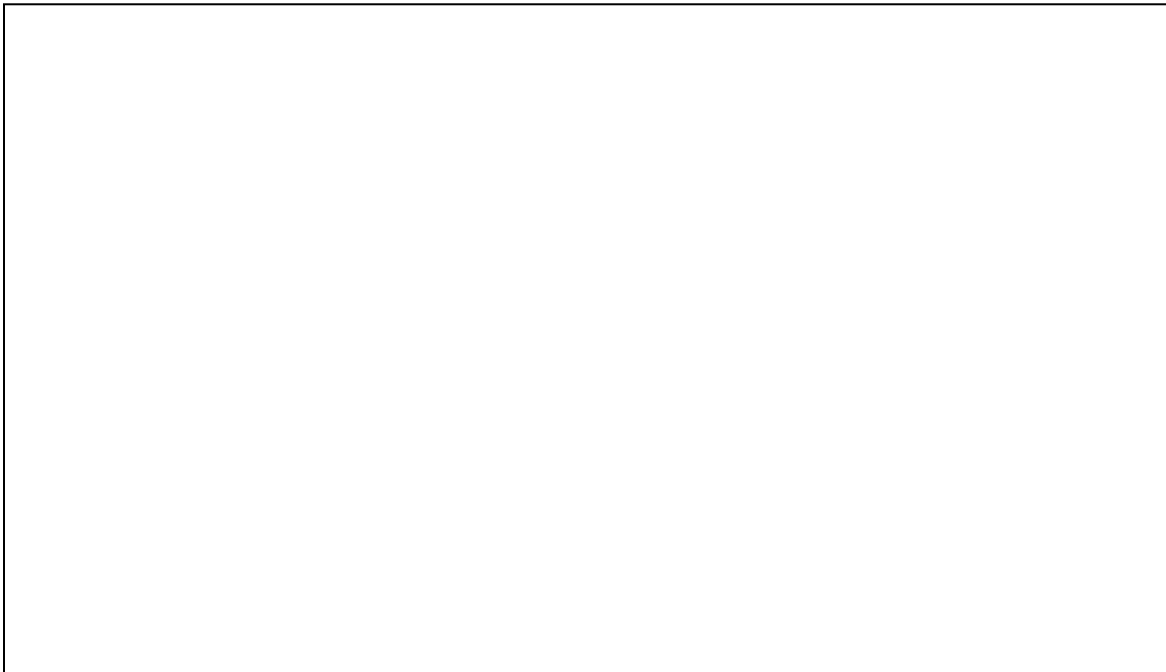

*Once you have completed the form, please save it with a new file name that includes your first and last names. Return the file to the program director for your HPU graduate program.*
