Online Training Competency Assignment

Students **must** complete this assignment for each online training, webinar or teaching module they complete in order to receive Field Hours. All online trainings must either: 1) come from HPU's list of Approved Online Trainings, found on the HPU Field Website, or 2) approved by their Field/Site Instructor.

For each training, the student *must identify 3 different competencies* explored and demonstrate their understanding of the material by filling in the chart provided. This assignment should be submitted to your Field/Site Instructor and your Course Instructor with your timesheets.
