

AL 2000 Introduction to Linguistics

Gen Ed Curriculum Area: Global Crossroads and Diversity

Course Description

An introduction to the analytical study of human language and its use. We...

- survey the subfields of linguistics
- investigate both commonality and diversity in the world's languages
- examine historic events, cross-cultural perspectives, and social contexts that influence language use
- explore slang, pidgins, creoles, dialects, and language extinction.

AL = Applied Linguistics, the study of language in use.

AL courses can lead to a minor, certificate, or degree in T.E.S.O.L*

AL 2000 is the program pre-requisite for all TESOL options: BA, MA, and Certificates
