

Clinical Nursing Courses: Health Insurance Requirement

Students who will be purchasing their health insurance through HPU need to sign and submit the “Health Insurance Intent to Purchase Agreement” to Castle Branch under the Insurance section by the deadline for submission of health information as indicated on the Level 1 or Ongoing Students Health Requirements Information Sheet. This agreement is binding.

Once you purchase your health insurance, you must submit a copy of the receipt of purchase or a copy of the insurance card to Castle Branch the end of the week prior to the start of the semester.

Health Insurance Intent to Purchase Agreement

I, (print name) _____, intend to purchase health insurance through HPU for the coming semester.

I have read the information provided to me and understand the current insurance rates are not yet published.

Because health insurance is mandatory to work in the clinical facilities, I understand that I must turn in a copy of my receipt of purchase or a copy of my insurance card. This proof is due no later than end of the week prior to the start of the semester.

I understand that if I do not show proof by this date I will lose my clinical seat.
