A screenshot of a web browser displaying the Ellucian University website. The browser's address bar shows the URL "https://bweb.hpu.edu:4443/hpud/bwskotrn.P_ViewTermTran". The website header includes the "ellucian UNIVERSITY" logo and a "Browse" button. Below the header, there are navigation tabs for "Personal Information", "Student Services and Financial Aid", and "Employee Services". The main content area is titled "Display Transcript - Select Level and Type" and includes a breadcrumb trail: "Home > Student Services and Financial Aid > Student Records > Academic Transcript". An information icon is followed by the text: "Select the transcript level and transcript type, then click Display Transcript." Below this, a note states: "Selecting 'All Levels' will combine courses you have taken in all degree levels (undergraduate, graduate or EFP), display them in chronological order and provide you with one combined GPA (Grade Point Average) different from your official record. It is recommended that you view or display unofficial transcripts separately by level." The form contains two dropdown menus: "Transcript Level:" set to "All Levels" and "Transcript Type:" set to "Unofficial Web Transcript". A "Submit" button is located below the dropdowns. A "View Holds" link is also visible. At the bottom of the page, there is a copyright notice: "© 2019 Ellucian Company L.P. and its affiliates." and a version number: "RELEASE: 8.7.1".

- The Unofficial Transcript will display grades *earned* for each term attended.
