

Our campus actually comprises two buildings: Adventist Health Castle (AHCS), and the smaller Harry and Jeanette Weinberg Medical Plaza and Wellness Center in front on the left. Most departments are in the main AHCS building. The smaller medical plaza building contains the Wellness and Lifestyle Medicine Center, the Koʻolau Pharmacy, the Outpatient Clinic, and various doctors' offices.

The main visitors' entrance to the medical center building is in the center. Entrance to the Emergency Department is at the Kailua end of the building.

Parking for both buildings is in the front and is free.
