

## Fall 2021 Orientation Activities COVID-19 Protocols August 18-20, 2021

Hawai'i Pacific University looks forward to welcoming you, the newest members of the University's 'ohana—students, parents and families—to campus for the August 18-20, 2021 orientation activities. HPU has received the City & County of Honolulu's approval of its comprehensive COVID-19 health and safety plans for orientation activities.

All orientation participants, HPU employees, and vendors must adhere to the following:

- Students and their families must be pre-registered for orientation prior to arrival.
- Students and their families must show proof of COVID-19 vaccination upon arrival at orientation.
  - If you are not fully vaccinated, HPU will require you to take a rapid antigen test when you first arrive on campus for your first orientation event, and for 48 hours thereafter for the duration of events.
- If you are not feeling well and have any of the following symptoms, please do not come to HPU's campus.
  - Fever of 100.4 degrees F or greater; chills; new cough; sore throat; headache, running or stuffy nose; shortness of breath; vomiting; diarrhea; skin rash; loss of taste or smell; tiredness/fatigue; muscle ache; chest pain or pressure.
- Prior to coming to campus each day, complete the daily health questionnaire at <https://www.hpu.edu/security/covid/screening.html> or available for students and employees on the myHPU app.
- Complete your infrared temperature scan daily at a campus station.
- A facial covering/mask is mandatory for entry and participation in both indoor and outdoor events.
  - You may only remove your face covering/mask if you are actively eating or drinking. No self-service of food and beverage is allowed.
- Please use the hand sanitizing stations at the check-in tents and the beverage and food stations.
- Please stand in lines following the social-distancing markers on the ground, and adhere to social distancing guidelines provided by the University at the various events.

Mahalo for your cooperation: by following these protocols, you ensure the well-being of yourself, your family members, and the rest of the members of the University and Hawai'i communities.
